STUDY CENTRES - COURSES OFFERED

Selection / Allotment of study Centres:

Before selecting a Study Centre students are advised to contact the Study Centre about the availability of a particular course in that centre. Weekend classes on Sundays and other Public Holidays will be held at Study Centres, subject to the enrollment of minimum number of students in a particular Centre. Therefore, students have to carefully select and mention the names of three study centres in the order of priority from the list of centres given. If adequate number of students are not enrolled in a particular centre, the CDE will allot the students to the nearest Study Centre. CDE will not entertain any change in the Study Centre subsequently.
